

# GOOD • BETTER • BEST REFERENCE CHART

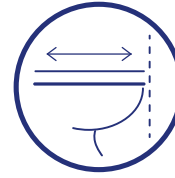

## Slow-Close: Prevents Slamming

Slow Close feature prevents the seat from slamming and protects against pinched fingers.

## QuickKlean™: Quick to Release and Easy to Clean

QuickKlean™ feature allows for quick and easy removal of the seat to clean hard to reach areas.

## Adjustable: Front-to-Back Adjustability for the Perfect Bowl Fit

Hinge hardware includes three bolt hole positions for front-to-back adjustability. This allows for the perfect fit to the bowl.
