

JONES STEPHENS LAVATORY LEGS

Jones Stephens lavatory sink legs provide support to wall-mounted console sinks and are manufactured for use with vitreous china, steel or cast iron lavatories.

ADJUSTABLE

Legs are adjustable from the floor to the underside of the sink and can also be cut to desired length.

HIGH-QUALITY

Designed with quality engineering and construction to be durable and reliable to meet Jones Stephens' highest quality standards.

ATTRACTIVE DESIGN

Contemporary and Traditional styles to match any bathroom decor.
